

StyleView™

Architecturally Stunning

An inspiration in both form and function, Raynor StyleView offers architectural flexibility, maximum visibility and extreme durability in maintenance-free aluminum doors. The Custom Profile, Wide Profile and Narrow Profile models feature a series of unprecedented designs, architectural glass options and 188 ArmorBrite™ or 7 anodized color finishes to showcase a home's unique flair. From modern styles to classic facades, StyleView is the choice for achieving a contemporary look or accentuating the design of any residence.

Custom Profile

An ideal complement to modern, conventional and rustic styles, the Custom Profile model is a 2" thick rail and stile door with a standard joint seal. Engineered for resilience and exceptional beauty, the Custom Profile model offers a maintenance-free alternative to steel and wood carriage house doors.

Wide Profile

If you are looking for a heavy-duty door that will enhance your home's unique style or timeless architecture, the Wide Profile model is the answer. Designed for both strength and durability, the 2" thick Wide Profile door features rail and stile construction with a standard joint seal.

Narrow Profile

Accented with a streamlined design, the Narrow Profile model is a 1-3/4" thick door with a ship lap section joint and standard joint seal. This model is a maintenance-free solution for your garage door needs. In addition, Narrow Profile doors feature architectural variation with multiple glass options for contemporary and traditional styles alike.

StyleView®

An inspiration in both form and function, Raynor StyleView offers architectural flexibility, maximum visibility and extreme durability in maintenance-free aluminum door. The Custom Profile, Wide Profile and Narrow Profile models feature a series of unprecedented designs, architectural glass options and 188 ArmorBrite™ or 7 anodized color finishes to showcase a home's unique flair. Glass Options

Low-E Glass Also Available

Low-E glass is the solution for long-term exposure to high temperatures by allowing full visibility, while providing a barrier from the sun. Low-E glass is only available for StyleView doors with insulated glass.

Glazing options range in a variety of colors and thickness including: 1/8", 3/16", 1/4" and 1/2" insulated.

See below for glass options.

Custom Millcreek

Hardware Options

EnduraCote™ Options

For a clean, finished look and maximum protection against rust, StyleView doors are available with a powder coated hardware system. The EnduraCote™ Hardware System features extended-life torsion springs and powder coated hardware. Nylon rollers with steel ball bearings also help to provide superior noise reduction.

Raynor Prodigy II™ - Offering Space-Saving Operation

DC motor, Jackshaft Operation

Raynor Prodigy II offers an exceptional solution for Styleview garage doors. StyleView doors provide full-view capabilities and the Prodigy II opener ensures your garage door opener won't clutter the view. It mounts easily on the wall beside the garage door and comes with a remote 2-port, 100-watt light that can be positioned anywhere in the garage.

Each unit comes standard with a 3-button premium remote control with rolling code security technology, Smart Control Panel™ and 200 watts of lighting for brighter illumination.

Limited Lifetime Motor Warranty -5 Year Parts

Raynor Ultra II™ with WiFi® - The Perfect Match for Your Door

3/4 Horsepower, Chain Operation

Designed to handle even the heaviest StyleView doors, the Raynor Ultra II with WiFi combines a 3/4 hp motor with a rugged I-beam rail and chassis support for added strength and reliable operation. A dual-drive sprocket allows the opener's speed to be adjusted to optimize door and opener performance.

Each unit comes standard with a 3-button premium remote control with rolling code security technology, Smart Control Panel™ and 200 watts of lighting for brighter illumination.

Limited Lifetime Motor Warranty -5 Year Parts

Professional Installation and Service

Depend on your Raynor Dealer

When you select Raynor, you're not just getting a superior garage door - you're also getting professional garage door installation and service expertise.

Every Raynor garage door is installed by a trained Raynor professional, and that means added benefits for you. First, you won't have to deal with it yourself. Second, because it's done right the first time, your door will deliver performance and reliability from the day it's installed. Your technician will check your door for everything from safety to performance and appearance. Trust your Raynor garage door to someone who knows it better than anyone else, your professional Raynor Dealer.
