

RAYNOR®

ADMIRAL II.

Raynor Admiral II - experience the safety and power that comes with an ultra-quiet, belt driven opener.

Raynor Admiral II offers the quiet reliability of a belt driven opener combined with battery backup. Even when the power is out, Raynor Admiral II continues working. Equipped with Battery Backup, Raynor Admiral II operates up to 40 cycles within a 24-hour period and recharges automatically when the power comes back on. The quiet, DC belt drive system offers variable speed and soft start/soft stop technology, in addition to audible signal notification when the power goes out. Raynor Admiral II features two, one hundred watt bulb ports and comes with a lifetime motor and belt warranty.

DC Power Belt Operation

Lifetime Motor & Belt Warranty
5-Year Warranty on Components

explore the features.

1. **Belt Drive.** Created for maximum performance and smooth operation year after year, the belt glides through the drive sprocket with no metal-to-metal contact. 2. **33% More Light.** Two, 100 watt bulbs brightens the darkest garage. Also features an adjustable 1-1/2 to 4-1/2 minute light delay, as well as hinged lens covers for easy bulb replacement. 3. **Battery Backup.** Equipped with EverCharge®, Raynor Standby Power will operate the garage door opener for 40 cycles within a 24-hour period and recharges automatically when the power comes back on. Includes a 1-year warranty on EverCharge®, Raynor Standby Power System.

safety & security devices.

1. **PosiLock™ Security System.** Once your garage door goes down, it's securely locked so an intruder cannot gain access. 2. **Protector System® Photo Eyes.** Projects an invisible beam across the door opening. If any object breaks the light beam while closing, the door will stop and reverse direction to full open position. 3. **Manual Release Handle.** This releases the garage door for manual operation.

standard accessories.

1. **Premium Remote Control.** This sleek and stylish control automatically lights up as you bring your hand nearby, so you'll always know exactly which button to press, even in the dark. Operates up to 3 garage doors. 2. **Smart Control Panel™.** Includes a "hands-free" motion detector that automatically turns your opener lights on when you enter the garage. In addition, its advanced design also displays the time and inside garage temperature, as well as important system status messages and also locks out all radio control signals while you're away.

optional accessories.

1. **Internet Gateway.** Raynor's revolutionary new accessory features MyQ technology that connects to the Internet and allows you to monitor and operate your garage door from anywhere in the world via your smartphone or computer. 2. **Safety Signal Keyless Entry.** Opens and closes your door when you enter a 4-digit code. Enter a temporary code that allows guests or service people access for a specific number of activations and for limited lengths of time.

Check with your Raynor dealer for additional optional accessories.

The in-vehicle universal remote control. See your automobile dealer for availability.

Enhanced Range feature allows you to open & close your garage door from greater distances.
